

## **DPW COMMITTEE**

7-6-17

Members Present: Todd Talaski, Clint Braun and Jerald Ignash

Others Present: Troy Hartz and Jamie Learman

Meeting called to order at 7:05 a.m.

The committee discussed a road extension at the end of West St. The owner of the property has a potential sale of a lot and the buyer would like a guarantee that the City will continue the road where it ends at Woodbine. The committee was all in favor of extending the road to provide access to a new house as its being built.

The committee discussed the streetlights. They received a proposal from DTE to replace 57 lights with LED lights. This will cost the City \$26,250. The City will then be eligible for a rebate of \$2,929 and save about \$6,830 per year in energy costs. The committee was all in favor of recommending this to council.

Meeting adjourned at 7:15 a.m.
