FREE RECYCLING IS GONE!

Thumb Industries pulled the recycling trailer due to the trash that people were dumping in and around the trailer. It is unfortunate that a few people have ruined it for everyone else. We are not sure if we can ever get them to bring it back.

The Breakwall project is continuing forward. We are now working on the bathrooms, pavilion and walking paths.

DROP BOXES have been installed by the front and rear doors to City Hall. No cash please!
