

PARK AND RECREATION COMMITTEE

5-9-18 8:00 a.m.

Members Present: Jerald Ignash, Michelle Beltz and Kenneth Rathje

Others Present: Jamie Learman and Troy Hartz

The meeting was called to order at 8:00 a.m.

The committee discussed Chas Co. digging the bioswale that is near the seawall. The DPW feels it is too hard of ground to dig that one. Chas Co agreed to dig that for \$2,500. The committee was all in favor of this.

The committee opened the one landscaping bid received on December 21, 2017 from Esch Landscaping. This bid was \$33,206. Esch had some ideas to reduce the cost of the landscaping. These suggestions would be submitted to the engineers. The committee agreed to meet with Esch after change approval is granted to see if we can negotiate the price into the budget for landscaping.

Jamie Learman brought up another tree grant to apply for through DTE. The committee was all in favor of submission of this grant, which is successful would commit the City to at least \$3,000 for its share.

Meeting adjourned at 8:40 a.m.
