

PARK AND RECREATION COMMITTEE

11-2-16 2:00 p.m.

Members Present: Clint Braun, Jerald Ignash, Todd Talaski and Patricia Des Jardins

Others Present: David Quinn, Troy Hartz and Jamie Learman

The meeting was called to order at 2:00 p.m.

The members talked with Tom Graf and Theresa O'Brien from the MDEQ regarding a project at the Huron Yacht Club. It was explained that the Council was being requested to approve the bottomlands lease for HYC that included areas that should have been included in their original lease that was done years ago for their boat docks. The confusion about the placement of stone out into the river was clarified. The HYC will only be permitted to place stone along the current bank to control erosion. All were in favor of recommending the bottomlands lease to the Council.

Discussion was held regarding the webcam at the Huron County Beach. The City was contacted regarding taking that over next year and relocating it to another location. The committee was in favor of this as long as we could get it moved for under \$1,000.

Meeting adjourned at 2:30 p.m.
