

PARK AND RECREATION COMMITTEE

7-26-18 8:25 a.m.

Members Present: Jerald Ignash, Todd Talaski & Kenneth Rathje

Others Present: Jamie Learman & Troy Hartz

The meeting was called to order at 8:00 a.m.

The committee discussed the current status of the park project, including the expenses so far, bioswales and parking. The committee is looking into shrubs around the one bioswale and building up the edges of the lot to avoid vehicles driving over the edge and causing damage. They are also considering larger stones to avoid the water pooling in the bioswale.

The flag pole was ordered back in June for \$3,245.52. Part of it was on back order and was scheduled to be shipped soon.

The committee discussed the webcam. A new webcam is being purchased by AirAdvantage and the Huron County EDC. Caseville is committed to \$1,000 of the cost of a new camera. The original camera cost around \$5,000.

Meeting adjourned at 8:25 a.m.
