

## **Police Committee**

6-27-16

Members Present: Michelle Beltz, Debra Estep, Jerald Ignash & Mayor Patricia Des Jardins

Others Present: Jamie Learman, Deborah Hopkins & Bryan Fisher

Meeting called to order at 9:00 a.m.

The committee discussed with Deborah Hopkins a grievance she filed regarding training and overtime.

Training was the first issue raised. There was a training class that Hopkins missed for active shooters. Hopkins was grieving the fact that she did not get this training. Hopkins did not see the training on the county site and the chief said he was not aware of this training until the day it occurred. The parties agreed that Hopkins should continue to check the county site and the chief would continue to inform her of the training opportunities available.

Overtime was the second issue raised. The contract states that overtime is distributed equally and Hopkins contends that she is not receiving as much overtime as the chief. The chief has agreed to offer overtime to Hopkins. The committee's agreement is that the chief will track the overtime they both receive or refuse & evenly distribute it throughout the year. The committee was all in favor of this.

Hopkins agreed both of these matters were settled

Meeting adjourned at 10:00 a.m.
