

Water Advisory Board

November 30, 2016

Meeting called to order at 3:00 p.m. by Steve Corrion.

Present: City of Caseville: Luigi Zolin and Deb Estep (sitting in for Todd Talaski).
Caseville Township: Fred Busch and Ilene Arthur.
Village of Pigeon: Steve Corrion and Marc Hill.

Others Present: Caseville City D.P.W. Supervisor Troy Hartz, and Laura Horkey.

Motion, Carried by Busch and second by Arthur to approve the minutes of the September 28, 2016 meeting.

Reports: Troy Hartz reported that everything is running smooth at the D.P.W./Water Plant. The water is down 2Mil from last year for the month of November. Replaced the old pump at the low lift with a new pump costing \$14,000.00. In the future the software at the water plant will need to be updated with an estimated cost of \$25,000.00. The software is still being looked in to, to see if there is other options.

Busch reported that he received a call from Tom Smith stating that the DPW showed up to shut his water off and Tom had not asked to have the water shut off. In response, Troy Hartz stated that a plumbing company called to have the water shut off and they gave the DPW the wrong address. The plumbing company was called and the address was straightened out. The DPW will make all efforts to make sure that this does not occur again in the future.
